## CHANGES IN THE PREREQUISITES AND LENGTH OF THE CSR COURSE

Prerequisites for admission to the Clandestine Services Review Course have been revised to limit attendance to only those Agency personnel who have recently returned from an overseas assignment. As it is a review course for Clandestine Services personnel, overseas returnees from other components may attend only if they are assigned to serve with the Clandestine Services at Headquarters for at least one year.

In the past, selection of an employee for a Senior Officer College (regardless of the Agency component to which he belonged) permitted his attendance at the CSR. Special briefings on the Clandestine Services will now be given to selectees for Senior Officer Colleges, as individually required. Applications for such briefings should be made on regular Training Request forms to the Registrar/OTR, who will arrange briefings in coordination with the Operations School and the OTR Briefing Officer.

The course has been reduced in length from ten days full time to eight days full time. The next running of the CSR will be 4 - 13 February in Room GD-2608. A limited number of spaces in the course is still available. For further information call [REDACTED], Chief Instructor, Extension 5113.
